

# Linda Vista's Annual Jog-a-thon Fundraiser

## November 7, 2021

On November 7, we will be holding our annual jog-a-thon. This is our biggest fundraiser to help our school. We use the money to help make it financially possible for all students to be able to attend school here, which in turns helps us be able to improve our school campus and programs.

Each of us has contacts that would be willing to support our school if asked. Some of you may know businesses that will donate money in exchange for advertisement, and many friends and family are willing to sponsor students with a flat, or per lap, donation. Please get involved, and make this a fun opportunity to help support your school. We are challenging each student to raise at least \$500!

### Here are three ways you can get sponsors:

1. **Find sponsors to sponsor you per lap run or make a flat donation.** Keep track using the record keeping sheet in this packet. Be sure to write down contact information.
2. **Ask a business or individual to purchase a sponsorship banner (\$250, \$500, \$750, or \$1000).** Use the business sponsorship form in this packet.

All banners will be displayed both on campus and on our website. On-campus displays will last throughout the year and the website displays will last through December.
