### Congratulations to our Jog-A-Thon winners!!!

**Jog-a-thon Fundraising** is due Monday! This is our biggest fundraiser of the year, and we challenged each student to raise \$500! Well done Falcons!!! Prizes will be ready in 2 weeks time! Stay tuned!

**Cornerstone Picture Retake** is this Monday, November 13!

**Volleyball Tournament** will take place on Tuesday, November 14, at the Antelope Valley Adventist School. It should be a fun opportunity to play volleyball and connect with students from other Adventist schools. We will leave Linda Vista at 7:00 in the morning. It's a long trip with the potential for traffic, so please be sure that you arrive on time. I am not 100% sure what time the tournament will end, but I expect that we'll be back to Linda Vista by 5:00. We'll have your child contact you to update you on our ETA. I believe we have enough transportation worked out for the students, so parents are welcome, but not needed, to attend. If you have not already turned in your permission slip, please do so soon! You may fill it out in the office. A full lunch will be provided, but please send your child with snacks and drinks or with money to purchase them at the concession stand at AVAS.

If you have any questions, please don't hesitate to ask Mr. Fox.

**NPAA Seniors**- Newbury Park Adventist Academy Seniors are selling lemons to fundraise for their Senior Class! They are selling \$5 for 6 lemons! Look to the attached flyer for more information on how you can purchase your freshly picked lemons!

### Procedure Reminders -

**Classroom Appointments** - At Linda Vista, we believe that education is a partnership between parents and teachers, and it is our goal to ensure that parents feel invited in to their child's school experience. It is also important

that there is a framework that helps students understand the difference between the home space and school space, that reduces distractions to the classroom dynamics and activities, and that allows teachers to teach without feeling scrutinized. For this reason, we require that parents arrange — through the principal and in advance—all in-class visits. We also ask that conversations with teachers are arranged for after school or during a pre-scheduled appointment.

**Signing In** - Linda Vista is a closed campus, and all visitors, volunteers, and parents need to sign in at the office when on-campus during school hours. Please don't head to your child's classroom without permission from the office, including for birthday celebrations.

**After-School Supervision** - Ensuring that your children are safe (Body, Heart, Mind, and Soul) is one of our top priorities. The before and after school time presents more challenges for our supervision since it is less clear where students need to be and to whom they should be listening. For this reason, we require all students to be in Daycare unless they are in the physical presence of their parent. We ask parents who check their child out of Daycare but remain on campus to ensure that their children stay close to them and continue to follow the school guidelines. This helps to avoid any confusion about who is in charge of a child's supervision.

**Restroom Use** - We now have a single-use bathroom available for our staff and visitors, and we're reserving the student restrooms for student use. If you need to use the restroom while on campus, please inquire in the office for a key.
