## Our Core Values

At Linda Vista Adventist Elementary School, we believe that education is a partnership, and all partnerships should be founded upon common values and vision. The following statements are intended to establish an overview of our core values but should not be considered comprehensive.

- We believe that true education is about educating the whole person, according to Biblical principles, for a life of love and service in this world and the world to come. We seek excellence in all areas but do not believe that any area should be sacrificed for another.
- We believe that instilling in children the curiosity to learn and providing them with the skills to do this on their own is as important as the information that we teach them. We seek to make subject matter relevant and engaging through hands-on activities and experiences.
- We believe that quality education focuses on the big picture and the end result. Individual homework assignments, grades, and test scores are important and should be used in guiding the educational process, but we remember that they are not the end product.
- We believe that all children can learn and grow. We seek to help children where they are at and hold them accountable for what they are capable. Seeking growth is more important than perfection, and we encourage children to complete their own work, even if it is difficult and imperfect.
- We believe it is more beneficial to teach children how to overcome challenges and to rebound from failure than it is to protect them from discomfort.
- We believe that developing character and life skills are an essential part of education. To name a few, we promote faith, courage, honesty, integrity, commitment, diligence, hard work, ownership, kindness, compassion, patience, modesty, respect, and purity of speech.
- We believe that we are all children of God, with different strengths and weaknesses. In conflict, we commit to treating each other with kindness and compassion and seek to understand rather than judge. We also commit to following the Biblical model of going to the source in patience and love as laid out in Matthew 18. We encourage students to be both kind and brave.
- We believe that God's word, as given in the Bible, should be the ultimate guide for what we teach and how we live our lives. An overview of the Seventh-Day Adventist Biblical interpretations can be found at [Adventist.org](http://Adventist.org).

## Our Commitments

### Our Teachers commit to:

1. Providing a balanced education following the guidelines and standards given by the North American Division and the State of California.
2. Promoting the love of Jesus and Biblical principles.
3. Seeing your child as an individual and seeking to maximize his/her education.
4. Treating you and your child with kindness and patience, following the model established in Matthew 18 to resolve conflict.
5. Communicating effectively with you.

### Our Parents commit to:

1. Ensuring that their child receives quality sleep and nutrition.
2. Guaranteeing that your child attends school regularly and on-time.
3. Encouraging their child to be proactive in his/her own education. This includes doing his/her best on all assignments and asking his/her teacher for assistance.
4. Supporting our core values and the policies established in the handbook.
5. Treating teachers, staff, and other parents with kindness and patience, following the model established in Matthew 18 to resolve conflict.

### Our Students commit to:

1. Listening: Obeying teachers and respecting classmates.
2. Kindness.
3. Bravery, including taking ownership of their own choices.
4. Purity in speech: Speaking kindly to and about each other and avoiding improper words/topics.
5. Asking for help if they're not sure what to do.
6. Keeping their hands to themselves.
7. Completing assignments to the best of their ability in a timely manner.
8. Doing their part to keep our school clean and in good condition.
9. Following the dress code.
10. Supporting the policies established in the handbook.

## 1:1 iPad Agreement

Linda Vista Adventist Elementary School administers a 1:1 Apple iPad program to provide our teachers and students with tools for the best education possible. We are highly encouraging, but not requiring, each student to have an Apple iPad and keyboard case that he/she can take to and from school. Families may use an iPad that they personally own, or they may lease-to-own an iPad/keyboard case from LVAES, but any device that a student brings to school must be filtered and managed by LVAES.

Please select one of the following options:

**1. No Device**

- My child will not be bringing an electronic device to campus.

**2. Bring My Own Device**

- I will provide a tablet for my child to use at school.
- I recognize that in order for my child to bring a device, the current MDM/filtering software must be installed on the device, allowing LVAES to filter and manage the device.
- I understand that this installation requires a clean reset of the device, resulting in the erasure of all content. I have backed up whatever information I need.
- I understand that the MDM/filtering software filters content, manages apps, guides access, and allows LVAES to see users' activity.
- I agree to pay a \$25 per year technology fee.
- I understand I can remove LVAES as the manager of my device. However, each re-installation of the MDM/filter will be charged a \$20 service fee.

**3. Lease-to-Own**

- I will lease to own an 9<sup>th</sup> generation, 64 GB Apple iPad and a Logitech Rugged Folio keyboard case from LVAES for \$150 per year, broken up into 10 monthly installments of \$15 each. After a total of \$450 in lease payments, I have the option to purchase the iPad for \$10. If I leave LVAES before \$450 in lease payments are

made, I have the option to purchase the iPad for \$460, minus the total lease payments already made. The lease buyout option must be exercised within one week of ending enrollment at LVAES or the option to buy will be considered terminated.

- If a previously leased, older model is the only option available, I will take over the remaining payments.
- I understand that the MDM/filter software must be installed on the device for the duration of the lease, allowing LVAES to filter and manage the device.
- I understand that the MDM/filter filters content, manages apps, guides access, and allows LVAES to see users' activity.
- If I am taking possession of a brand-new iPad and Rugged Folio case, I will return both the iPad and the case in like-new condition.
  - In the event of damage, I agree to repair the iPad and case to like-new condition or replace it with an iPad or case in like-new condition.
  - Upon return of the iPad, I agree to pay \$10 per scratch, significant or minor, to the iPad.
  - I understand that I have the option to purchase insurance to cover screen, drop, and spill damage to the iPad. This insurance does not cover theft or lost items.

**My choice is as follows:**

- I choose to **purchase** damage insurance for this iPad for \$35 per year, and I understand there is a \$49 deductible per damage event.
  
- I choose to **decline** damage insurance and, in the event damage occurs, will repair or replace the iPad to like-new condition at my own expense.
