David- February 9

Mason- February 14

Olivia- February 25

Aethan- March 8

Hannah- March 9

Announcements

Snow Clothes - Do you need snow clothes for the ski trip? If so, Ms. Lilly is distributing snow clothes after school to those who need them. Please remember that a \$20 cash deposit is required. The cash deposit will be refunded when the clothes are returned washed and folded.

Distance Learning Day - This Friday, February 11, will be a distance learning day, and assignments will be delivered electronically. Teachers will be in an in-service that day, so the lessons will be independent work without Zoom meetings to attend.

Basketball Season- Thank you so much for attending our games and supporting our Falcons. Please help our kids remember that everywhere we go, we are ambassadors for our school and for the God we serve. Whether we win or lose, the most important thing is how we conduct ourselves and the way we treat others, both those on our own team and those on the opposing team. Go Falcons! [Please see the back of this flyer for game schedule.](#)

Previous Announcements

Dress Code - Would you please help us by checking that your child is wearing the school uniform each morning? Logoed polo shirts (or equivalent dress) are required every day except Friday. Pants should be navy or khaki and should match what is seen on the Land's End website. Skirts/dresses should be near the knee. Jackets and sweatshirts should not have non-LVAES graphics or logos on them and should be navy, white, black, red, or blue. No bracelets, earrings, necklaces, or other accessories should be worn.

Attendance - The return to school following Christmas break has been a challenge considering the surge of the Omicron variant, exposures in our classrooms, and fear of the virus. This has led to a high rate of absenteeism, which is a strain on learning. We must push for a return to regular in-person attendance, while still following the VCPH protocol for dealing with COVID. Please keep your child at home if he/she is sick or required to quarantine, but please ensure that your child is in the classroom otherwise.

COVID Tests - LVAES is distributing an at-home COVID test kit to every student to be used in the event of an exposure or symptoms. Have you picked up yours yet?

COVID Quarantine Guidelines

1. Was your child exposed to COVID at school (indoor exposure with masks

on)?

- Students can stay at school but must test twice weekly.
- Without testing, the child needs to stay at home for 10 days.

2. Was your child exposed to COVID at home (any indoor exposure without masks on)?

- Your child must isolate at home for at least seven days from the date of exposure.
- If your child tests negative on/after day five, they can return to class after day seven. A negative test before day five does not shorten the quarantine time.

3. Did your child test positive for COVID?

- Your child must quarantine at home for at least five days from the onset of symptoms or positive test result.
- If your child receives a negative COVID test result on/after day five after the onset of symptoms, he/she can return to the classroom.
- Without a COVID test, the at-home isolation period is 10 days.

Basketball Schedule

Tuesday, February 8
