Last Call for Year Book Pictures! We are asking for all parents who have taken pictures over the course of this school year to please take the time to upload them via our year book link, www.lvaes.org/yearbook. Last day to upload pictures is April 5! We appreciate you taking time to do this for us. If you have any questions please contact Ms. Erin.

Our Robotics team the Electro Falcons are going to compete at the national level! They competed in the regionals and were awarded the Champions award which is the highest award given! Way to go Falcons and their coaches for an amazing showing on Monday. The Electro Falcons will be needing our fundraising support. Please stay tuned for more information on how you can help them get to Florida this April!

Read-a-thon Fundraiser Kickoff is April 3! Get ready to fundraise for our campus goats and classroom renovations!

8th Grade Dedications were due last week. If you still have not emailed your dedication to Mr. Fox, please do so within the next few days. Use the dropbox link to upload your photos, <https://www.dropbox.com/request/vUUTWiWeXKCreLZoPGTx>.

Teacher Conferences are Friday, April 7. These conferences are optional unless your child's teacher requests a conference. We prefer to meet in person, but we can also meet over Zoom if necessary. If you'd like to sign up, reserve a spot at <https://www.signupgenius.com/go/8050548ACA82AA3F49-parent6>.

Distance-Learning Day - For students, Friday, April 7 will be a distance-learning day, and students will need to complete assignments at home. School attendance for that day will be based on completion of the assignments. The reason for this is so that teachers have the time to dedicate to meeting with parents.

1st Round of 2023-2024 Applications were evaluated on March 1st, and we enrolled two new students for next year. The next round will be evaluated on April 1st. - Do you have a child entering kindergarten next year, or do you know of a family interested in LVAES? We encourage you to complete the application process as soon as possible as we are expecting to waitlist our 5th-6th and 7th-8th classrooms next year and plan to have a full kindergarten class as well. Application packets can be found at lvaes.org/new.

Enrollment for '23-'24 is now open. We are encouraging all returning families to complete the re-enrollment process by June 1st. This includes paying your '22-'23 balance in full, submitting the re-enrollment packet, and paying the re-enrollment fees in full. The re-enrollment packet can be downloaded and submitted on our website at lvaes.org/returning. We are providing a \$50 early re-enrollment discount for those who complete the process by June 1st.

Rate Increase for '23-'24 - Due to rising costs, our board has voted to increase tuition rates for the '23-'24 school year by \$20/month (\$200 for the year). We are also increasing the enrollment fees for grades 5th-8th to a total of \$500 due to increased costs at that level. We understand that finances are tight for many families today, and we encourage you to talk with the principal about tuition assistance if your family is struggling.

Baybarz Scholarship Applications Now Open - Every year the Pacific Union Conference distributes worthy student scholarships to members of the Seventh-Day Adventist church. Applications are now open, and LVAES is asking that your submission be completed by April 1, 2023, to ensure that no one misses the Union's deadline. You can access links to the instructions and application at lvaes.org/tuition-assistance. Please remember that everyone eligible for this scholarship must apply in order to also be eligible to receive tuition assistance from Linda Vista.

Referral Credit - We are looking for new students, especially in kindergarten, so if you know of anyone who would be a great addition to our student body, please encourage them to schedule a tour today! We are giving a \$50 enrollment discount for new students referred by existing families, and we are giving a \$50 thank you credit to the referring families once the new family is fully enrolled. (A referral card is required, so please be sure to pick one up in the office.) We expect to waitlist multiple classrooms next year, and we will be evaluating new applications on the first of each month, beginning March 1, until all spots are filled. Please don't wait to share the good news about Linda Vista!
