Memory Verse for Friday, September 17: "I consider that our present sufferings are not worth comparing with the glory that will be revealed in us."

-Romans 8:18

Chapel Theme for Friday, September 17:

Trait: Determination: Purposing to accomplish God's goals in God's time regardless of opposition.

Emphasis: Realizing that my present struggles are essential for future development.

P **Principal's Note:** Our chapel theme this year is "Planting Seeds" and we are emphasizing character growth. The product of our lives is an interplay between the resources that God has given us and how we choose to use those resources. God plants seeds in us and sends the sun that those seeds need. It is our responsibility to cultivate our seeds and to water them, which is an intentional and daily task. It is the care that we give our seeds that often makes the difference between a thriving oasis and an arid desert.

At Linda Vista, we want each of our children to understand that who we become and what we are able to accomplish is a daily choice, just like watering our gardens. We encourage you to emphasize at home the character traits that we're talking about here at school. And when your child might be having a hard time making a good choice, remind him/her that they're watering their garden!

Each week we will be having a whole-school memory verse that relates to the weekly topic.

Progress Reports: Progress reports will be emailed out at 12:00 noon instead of 9:00 in the morning.

MAP Testing 13-16 please be ensure that your Falcon has a good nights rest and a healthy breakfast. We'll be completing about one hour of testing per day. It's important that all students are present.

Hot Lunches: We would like to begin offering hot lunches again on a regular basis, and we are looking for parent volunteers who would be willing to help. The proceeds from lunches go to benefit our classrooms and clubs, and there is also the possibility for parents to raise money to help fund their child's tuition.

September 20 - Kaylie
September 30 - Talon

Hot lunch servers will be required to obtain a food handler's permit, which can be done online and takes about an hour to do: <https://www.efoodcard.com/>. If you'd like to sign up to help, please go to the sign up link: <https://forms.gle/vGQfX65Pb7MuXMFXA>

We are hoping to begin offering full weeks of hot lunches beginning September 20.

LVAES will reimburse for the cost of your permit. Please inquire in the office for more information.
