Announcements

Work Bee - We'll be holding a work bee on Sunday, March 13 from 9:00-12:00. We need help with general items like landscape maintenance (weed whacking, weeding garden beds, trimming bushes, etc.). We would also like to work on our builder's club and gardening areas: nailing pickets, staining fences, painting a bench, digging a trench for a new water line, and more. We would love your help!

Parent Teacher Conferences are next Friday, March 11. These conferences are optional unless your child's teacher requests a conference. We prefer to meet in person, but we can also meet over Zoom if necessary. If you'd like to sign up, reserve a spot at <https://www.signupgenius.com/go/8050548ACA82AA3F49-parent4>, or email your child's teacher directly.

Distance-Learning Day - For students, Friday, March 18 will be a distance-learning day, and students will need to complete assignments at home. School attendance for that day will be based on completion of the assignments.

Mother/Daughter & Father/Son Events- It's time for our Annual Mother/Daughter and Father/Son events! If you plan on attending please RSVP to Dulce in the front office (805)647-2220 ext:0, pto@lvaes.org, (805)603-6408:cell. We will be hosting a movie night for our mothers and daughters and a day of Golf 'N Stuff for the father son event. Both will take place on Sunday, April 10! Make plans to attend. More info to follow.

Previous Announcements

Re-Enrollment Process

1. At your earliest convenience, download the re-enrollment packet from lvaes.org/returning. When finished, you can upload electronically using the link at lvaes.org/returning or print and submit to the office.
2. Your child will complete the re-enrollment essay in class, so you do not need to worry about this.
3. On or before June 1, pay the re-enrollment fee. We will send out an electronic invoice around May 20 for payment by June 1. (The full re-enrollment fee is \$450, but you will receive a \$50 discount if you pay by June 1.)

Spring Service Project - We are coordinating a school-wide service project for this spring. Do you know someone in our community who could use some extra support? Maybe some help around the yard, an outdoor visit and song, or just some cards in the mail? If you know of someone, please let us know by filling out the form at lvaes.org/service or emailing Mr. Fox at principal@lvaes.org.

Birthdays

Noah- March 14
Kathryn- March 16
Christopher- March 19
Evan- March 24

We will also need parent chaperones and drivers. If you would like to help with this service project, please let Mr. Fox know as soon as possible!

STEAM Lab Dissections - We are excited to announce that Hazel Reyes, an LVAES alumna who recently graduated from Loma Linda University as a Clinical Lab Scientist, will be guiding our STEAM Lab students through three dissections in March and April: worms, grasshoppers, and frogs.
