Announcements

Baseball Practice will be available for students in grades 3-8 from 12:45-2:30 on Fridays. Students will learn hitting and catching skills and the rules of the game. The purpose of this practice is for fun and skill building; at this time we do not have any games planned. Sign up at <u>https://forms.gle/</u> N7Y08eQcYaxcpCsm6.

Church Performances - This year we are experimenting with encouraging families to attend all five performances but requiring attendance at only three. We will be assigning students to specific visit dates, but it will be helpful to know which dates your prefer. Please select your preferences using the following link, but note that we cannot guarantee to which dates you'll be assigned: https://forms.gle/xuBvQxRvqGQW4BQz7

Filtered Water - We have installed five-stage, reverse osmosis water filters in each of our classrooms. Please remember to send your child with a refillable water bottle each day!

Missed Class Policy - If your child is sick or absent for any reason, please communicate directly with your child's teacher and carbon copy (cc) Mr. Fox. In some cases, teachers will be able to email assignments to be done at home, but most of the time students will need to make up the work upon their return to school.

Extended Supervision Reminder - All students on-campus after classes are dismissed for the day, need to be checked into supervision with Mrs. Andrade, and must stay within the supervision area. The only exception to this is if a child's parent/guardian is on-campus and the child is with the parent/guardian. Please remember that extended supervision ends at 5:30, and an overtime charge of \$10 for every five minutes or fraction thereof will be charged after 5:30.

Closed Campus - Please remember that all visitors on campus during school hours must make prior arrangements and sign in with the office. Parents are welcome to eat lunch with their child or visit for other reasons, but please be sure to make arrangements and sign in when you arrive and leave. If your child needs to leave campus early, you must sign them out in the office.

Previous Announcements

History Museum is about to kick off on Friday, September 23. Stay tuned for more information.

See's Candies Fundraiser is open now through December 2! Please pick up more flyers in the office, for See's Candies information and store front link. All orders are made online, please keep track on who orders on your child's behalf. The office will have a list for each student to keep track of sales. See's Candies will not itemize the sales per student. These funds will go towards your child's ski trip!<u>www.yumraising.com/secure/</u>lindavae_linda_vista_ski_trip61/Dul_Zav9283/.

Wall Calendars - We still have a few calendars! Have you picked up your copy in the office?

Volunteer Coaches flag football is going to be coached by Pastor José Toledo and Adrian Escobedo, thank you! This year we are planning to have after-school practice on Tuesdays and games on Thursdays. Volunteers must be committed to upholding and emphasizing Linda Vista's values of representing Christ in all situations, working together as a team, developing perseverance, and developing physical fitness. If you have any interest in coaching or supporting our athletics program, please contact Mr. Fox as soon as possible.

PTO Prayer Warriors Mrs. Yazmin Zabala is leading our school in prayer. Join us at the flag pole, Tuesday mornings, after students are dismissed to class. We gather to pray for our campus, students, staff, and families.

Progress Reports - You will receive your child's next progress report this Sunday at 12:00 via email. Please take a moment to review it for any missing assignments. It is much easier to help our kids stay caught up rather than trying to play catch up.

Attendance - Regular and punctual attendance is an essential part of a successful education program. Please help your kids arrive on time, and please notify the front office and/or your child's teacher if your student will be absent, including leaving early.

Hot Lunches - Our affordable and delicious hot lunches are made possible through the generous support of parents. The proceeds help to fund classrooms, programs, or your child's tuition. If you would like to help with hot lunches, please visit **<u>lvaes.org/lunches</u>** for more information.

Volunteers - For the safety of our children, all volunteers, drivers, and chaperones must have a LiveScan background check. You can download instructions and and the necessary form at **<u>lvaes.org/resources</u>**.

Drivers - In addition to needing a background check, field trip drivers must complete a Driver Verification form and provide proof of sufficient insurance. If you are driving only your own children, this is not required. You can download the the form at **lvaes.org/resources**.

Uniforms - We understand that new students may not have received their embroidered polo shirts yet. If you don't have the logo-ed shirts, please be sure to wear khaki or navy chino pants and a regular polo shirt. <u>Please be sure</u> to label your uniforms in the event they get lost. (All uniforms look nearly identical!)

iPads - Students need two keep their iPads charged and ready for use. If you have any issues please check in with Mr. Fox.

COVID - Please be sure to check <u>lvaes.org/covid</u> for updated COVID protocols.
