## Announcements

Week of Prayer was great! Pastor Urijah met with our school family each morning and shared about God's love for us through his love for rock climbing. Here are some highlights from his message:

**Shoes** represent our **identity**. Put on the shoes and say yes to the adventure.

A climbing **harness** represents our **security**. Walk in the security of who God says we are, not in other.

A **rope** represents **trust**. Focus on Jesus because where your eyes are focused is where our trust will be.

A **carabiner** represents **strength**. Our strength is not found in our own effort. Our own effort will never be stronger than putting our strength in God.

**El Rio Church Performance** is tomorrow, February 28. This is a whole-school church performance, and each student will play an integral role. Please be sure your child is able to attend! Students should arrive by 10:30. Just a reminder students need to bring their instruments and music and need to be dressed in their performance attire. Boys should be in white buttoned down shirt, black slacks, and black dress shoes. Girls need to be in a black skirts (at or below the knee), white collar shirt, and black dress shoes. Families are invited to stay for lunch following the service, and parents please supervise your child and help them respect the church environment. Students need to be with their parents after the performance. Church address: 2670 Alvarado St., Oxnard.

**Robotics Tournament** - Our robotics team, the Robo Falcons, will be competing at the Adventist Robotics League robotics tournament in Loma Linda this coming Tuesday. They have been working each week all year to build Lego attachments for and code a robot and to develop an innovative engineering solution to an undersea problem. Please encourage our teams as they represent our school at this regional event and make Linda Vista proud!

**Spirit Day** next Friday is an international theme! Students can dress up in a traditional costume representing their personal heritage or a culture they love!

**End of Quarter 3** is in just two weeks! Please help your child check his/her progress report this Sunday at noon and encourage him/her to talk to a teacher to get help catching up. More information will be sent out next week about our upcoming parent-teacher conferences.

**Soccer Practice** will begin soon! Practices will be held on Mondays and Wednesdays from 3:30-4:45 PM. This week only our boy's 5th-6th team will have practice on Monday and Wednesday from 3:30-4:45. They have one game

next week on Wednesday, March 11. The other teams will begin practicing the following week. Watch for more details!
