Announcements

Free Dress for Green House - At our Leo Carrillo beach day on Friday, Marianne Cordova found the message in a bottle, winning a free dress day for the Green House. Green House can come in free dress on Wednesday, October 29! Great job Marianne!

Pumpkin Patch - Our TK-4th grade students will be going to Underwood Family Farms on Tuesday, October 28. Please see communication from your child's classroom teacher for more information. If you have not yet turned in a permission slip please do as ASAP.

No Crazy 8s Tuesday due to the Pumpkin Patch field trip.

Parent Teacher Conferences - We're looking forward to meeting with you and your child this coming Thursday. Please remember that it's important that your child attends at least part of the meeting, as our goal as teachers and parents is to help students learn to take ownership of their own growth and learning.

Jog-a-thon - Our 5th Annual Roy Brasher Memorial Jog-a-thon is taking place next weekend! We sincerely ask that each of our students seeks sponsors to help us raise money in this event. Every year we distribute about \$40,000 in tuition assistance to ensure that every family who sincere values our program can afford to be here. None of this would be possible without the generosity of our jog-a-thon sponsors. If you didn't receive, or haven't been able to access, your child's 99Pledges fundraising page, please reach out to Mrs. Pennock!

Fall Fair - Our fall fair will take place from 11:00-2:00 next Sunday! Teachers need help with supervision of their booths! Fifth through 8th grade students/parents have been assigned times for their children's booths; TK-4 parents need to sign up for a time. Please watch for a separate email that will have Fall Fair details including the booth sign-up!

Here are a few other things we'll need help with:

- Loaning us pop-up tents and extension cords
- Helping to set up tables and pop-up tents and running extension cords after sunset on Saturday evening, November 1.
- Taking turns to run class and club booths.
- Inviting your friends and family to this special event.

Basketball Sign Ups - As we come to the end of our volleyball and flag football seasons we are looking forward to beginning the basketball season! Sign up are open now! If your 5th-8th grader is interested in joining basketball you can find the links in your email or here:

Lost and Found - Our lost and found pile is growing! Please be sure to stop by and check for sweatshirts, water bottles, lunch containers, and more!

NJHS Volunteering at Food Share. On Monday, November 17th, our National Junior Honor Society will be volunteering at Food Share with their sponsor Mrs. DeWitt. They will leave school at 11:15, have lunch together and then head to food share to help pack produce boxes for distribution.

Previous Announcements

Pick Up From After School Activities - If your child is participating in sports, robotics, Crazy 8s, drama, praise band, or any other after-school activities students are expected to be picked up at the conclusion of the event. While we allow a 30 minute grace period at the end of the school day, we don't do this for extra curricular/after school activities. We will give families a 5 minute grace period. If students are not picked up by then, students will be signed into daycare and charges will apply. Parents will need to sign their child out of daycare. We want to make sure all our students are safe and supervised.

Sports Participation - Playing team sports is a great opportunity to learn teamwork, sportsmanship, and balance. When students, who are participating in sports have a game, they often leave early from school and miss class and/or assignments. Sports is an optional extracurricular activity and students are expected to be proactive in finding out what assignments they missed or will be missing. Teachers are not expected to excuse students from work when they participate in extracurricular activities, nor do teachers need to accommodate quiz and test schedules around games. Balancing any after school activities with in-school assignments and responsibilities help students learn skills that will help them in high school and in life.
