## Announcements

**Both of Our Robotics Teams** are competing at the Adventist Robotics League national tournament in Florida on Sunday. We're proud of our kids, and this is a really neat opportunity for them to be proud of themselves and the professional and technical skills that they are developing!

**MAP Testing** is next week. This is our summative testing to check in and see how our students have grown this year, to celebrate strengths, and to identify areas for growth. We really want these tests to accurately reflect our students' abilities. Please encourage your kids to do their best, help them get good sleep, and ensure they eat healthy breakfasts.

**Teacher/Staff Appreciation Week** is next week! Unfortunately, we don't have a PTO leader this year to help coordinate special gestures for our staff, but gift cards are a great way to say "Thank you!" Starbucks is always appreciated, but also anything that can be a nice treat or help make an evening easier by ordering takeout or taking one's spouse on a date. Since the focus tends to be on classrooms teachers, our dedicated part-time staff members sometimes get overlooked, but they help hold our school together!

**Early Dismissal next Thursday, May 8** due to our annual teacher appreciation event. Please note that we have erroneously stated a few different dismissal times. **School will dismiss at 12:00.** There will be **no child-care that day**, and we would like all our staff to be able to participate in this special event, so please make arrangements to pick up your child at 12:00.

**Pacific Union Education Scholarships** - The deadline is coming up soon. We had said May 1 to ensure everyone got the process done on time. *The actual PUC deadline is a little later, but please complete them now.* Every year the Pacific Union Conference makes scholarships available to members of the Seventh-Day Adventist church. Applications are now open, and LVAES is asking that your submission be completed by May 1, to ensure that no one misses the Union's deadline. You can access links to the instructions and application at [lvaes.org/tuition-assistance](https://lvaes.org/tuition-assistance).

**Next Step Scholarship** application deadline is coming up soon. We had said May 1 to ensure everyone got the process done on time. The actual deadline is a little later, but please complete them now if you have a student going into kindergarten or 8th grade in the fall. It is not necessary to be a member of the Seventh-Day Adventist Church to apply for this scholarship. To apply, please follow the instructions provided using the link <https://pacuniongrants.smapply.io/>.

**Student Showcase** is coming up on Thursday, May 15. This is one of the most important events of our school year, and it is essential for every student

**Re-Enrollment Process** - To re-enroll for the 2025-2026 school year, families need to submit the re-enrollment paperwork and pay the non-refundable re-enrollment fee. We are encouraging this process to be fully completed by June 2, and we offer a \$50 early re-enrollment discount for those who submit both the paperwork and the enrollment fee by that date.

- Enrollment packets have been posted to [lvaes.org/returning](http://lvaes.org/returning) and can be uploaded to the link on the website or in the office.
- We will invoice the re-enrollment fees toward the end of May, and we encourage families to wait until invoiced to make the payment, as it simplifies bookkeeping.

**Start Date for 2025-2026** will be on Monday, August 18. This has been added to our online calendar, along with the dates for Christmas and Spring breaks.
