Hi Parents!

I have made a discovery! I realized I love school supplies! I love walking into an office supply store this time of year and seeing all the supplies lined up waiting for eager students doing their back to school shopping. I'm a sucker for a brand new pack of pencils or new markers.

Here is the supply list your child will need for the upcoming year at Linda Vista Adventist Elementary School.

I have hyperlinked all the school supplies on this list. Please know that you DO NOT need to purchase the exact item I hyperlinked. It is merely a reference in case you are not sure exactly what an item is.

Please feel free to email or text me if you have any questions about the supply list.
